POLIFEMO

design Giampiero Derai

Sospensione per interni, dal design minimale caratterizzato da sezione tubolare tonda di diametro 80 mm, in metallo verniciato bianco, grigio, nero con riflettore in tinta e in cromo lucido o spazzolato con riflettore grigio. Disponibile, su richiesta per forniture contract, la finitura ruggine "effetto corten", la versione in foglia oro, argento o rame con tinta riflettore a scelta. Disponibile accessorio in vetro sabbato per una luce più diffusa.

Suspension for indoors, minimalist design with 80mm round section tube. Available in metal painted white, black, grey with reflectors in the same colour and in polished or brushed chrome with grey reflector. Available, on request for contract supplies, in the rust "corten effect" finish and in the versions with gold, silver or copper leaf with reflector's colour at choice. Sandblasted glass is available as accessory for a more diffused light.
