

THOR TRACK

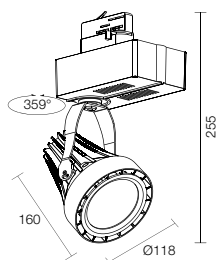

Proiettore a LED da binario, orientabile in modo indipendente, in alluminio pressofuso interamente verniciato bianco o nero, alimentatore incluso. Thor Track viene fornito completo di adattatore Eurostandard. Potenza del COB LED pari a 30W. Disponibile con due temperature colore (3000K e 4000K) e due tipologie di apertura fascio (12° e 24°). Ideale per una varietà di soluzioni illuminotecniche per un'illuminazione concentrata e d'accento grazie ai fasci di luce direzionali e ai diversi gradi di apertura disponibili.

LED track projector, independently adjustable, in die-cast aluminum entirely black or white painted, power supply included. Thor Trak is supplied with Eurostandard adapter.

The power of COB LED is equal to 30W. Available in two colour temperatures (3000K and 4000K) and with two opening angles (12° and 24°). Suitable for a variety of concentrated and accent lighting solutions thanks to the directional light beams and the different opening angles available.
