# STRIPE GO SOSPENSIONE T5 SEAMLESS

design Luce Lab

Sospensione mono-emissione costituita da un elemento singolo elettrificato, profilo in alluminio che alloggia lampade T5 Seamless, e completo di kit tappi e diffusore in PMMA satinato o schermo darklight. Disponibile in alluminio anodizzato nei colori alluminio naturale satinato, titanio spazzolato e cromo brillantato e nelle verniciature bianco lucido e nero opaco.

Viene garantita un'emissione di flusso luminoso continuo senza zone d'ombra e uniforme anche alle estremità.

Mono-emission suspension made up of an electrified single element, aluminium profile designed for housing T5 Seamless lamps, and complete with end caps and satin PMMA diffuser or darklight screen.

Available in the following anodized aluminium colours natural satin aluminium, shiny chrome and brushed titanium and in the following painted versions: shiny white and matt black.

A continuous fully-uniform luminous flux, without dark areas and shadows even at the module's ends is guaranteed.

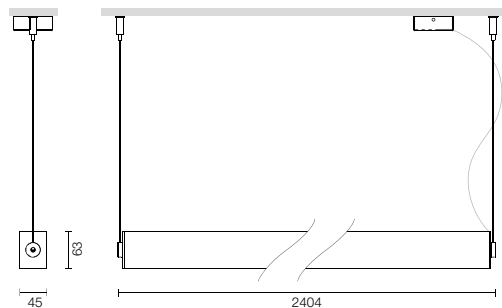

Rotazione 180°
