

STRIPE GO PARETE T5 SEAMLESS

design Luce Lab

Lampada da parete costituita da elementi doppi elettrificati, profilo in alluminio che alloggia lampade T5 Seamless, e completo di kit tappi e diffusore in PMMA satinato. Disponibile in alluminio anodizzato nei colori alluminio naturale satinato, titanio spazzolato e cromo brillantato e nelle verniciature bianco lucido e nero opaco. Le lampade sono disponibili solo nella versione HO. Si consiglia l'utilizzo di moduli della stessa lunghezza e potenza. Viene garantita un'emissione di flusso luminoso continuo senza zone d'ombra e uniforme anche alle estremità.

Wall lamp made up of electrified double elements, aluminium profile designed for housing T5 Seamless lamps, and complete with end caps and satin PMMA diffuser. Available in the following anodized aluminium colours natural satin aluminium, shiny chrome and brushed titanium and in the following painted versions: shiny white and matt black. The lamps are available only in the HO version. The use of elements with the same length and power is recommended. A continuous fully-uniform luminous flux, without dark areas and shadows even at the module's ends is guaranteed.
