

# STRIPE GO WITH EDGES T5

design Giampiero Deraì

Lampada da incassi con bordi costituita da un elemento singolo elettrificato, profilo in alluminio che alloggia lampade T5 normali, e completo di kit tappi e diffusore in PMMA satinato o schermo darklight. Disponibile in alluminio anodizzato nei colori alluminio naturale satinato, titanio spazzolato e cromo brillantato e nelle verniciature bianco lucido e nero opaco.

Le lampade sono disponibili nelle due versioni:

HE per massimizzare l'efficienza luminosa e per avere una luminanza costante anche con moduli di differenti potenze.

HO per ottenere il maggior flusso luminoso. Si consiglia l'utilizzo di lampade HO nelle installazioni con moduli della stessa potenza.

Recessed lamp with edges made up of an electrified single element, aluminium profile designed for housing normal T5 lamps, and complete with end caps and satin PMMA diffuser or darklight screen. Available in the following anodized aluminium colours natural satin aluminium, shiny chrome and brushed titanium and in the following painted versions: shiny white and matt black.

The T5 lamps are available in two versions:

HE to maximize the luminous efficiency and get a constant luminance even by different elements with several lengths and powers.

HO to obtain the maximum luminous flux. The use of HO lamps is advised for installation of several elements with the same power.
